29 September, 1994

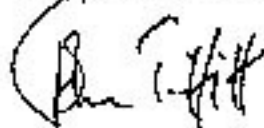

Dear Mickey Grant,

FRIENDS OF HOThank you for your proposal *Friends of Ho*.

I look forward to the further development of this project. But this is, in principal, something which certainly interests me.

Nick Fraser will probably be able to help look into the financing as we discussed when you rang. We can then set about the business of trying to secure a commission.

Yours with best wishes,

JOHN TRIFFITT
